MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Information on 57-millimeter and
85-millimeter Soviet Guns

1. On a recent trip to the Army Air Defense Center at Fort Bliss, Texas, I was asked about the extent of our knowledge on tactical information and tactical use and tactical doctrine on the Soviet 57-millimeter and 85-millimeter guns.
2. I was unable to answer the question and would appreciate whatever information you might have available. I do not want to get DIA or the Army involved.

Marshall G. Carter
Lieutenant General, USA
